There are currently no Model Portfolios offered as part of the Wealth IQ Account APL.

There may be costs associated with the underlying assets in a model portfolio such as managed funds and Exchange Traded Funds. The Responsible Entity relies upon your Financial Adviser to provide you with the disclosure documentation for these assets contained in the Model Portfolio, both at the time of your investment and where there are any subsequent changes to the Model Portfolio.

Cash holdings: The interest rate payable on the cash operating account, and any cash held in the Model Portfolios, is net of any fees charged by the Responsible Entity for the administration of this account.
