## POWERWRAP APPOINTS HEAD OF OPERATIONS

Powerwrap Limited today announced the appointment of Andrew Hartnett as its new Head of Operations, effective immediately.

Andrew brings extensive experience in financial services and was formerly with Bell Potter Securities Limited for seven years. Most recently he was Head of Portfolio Administration Services, where he managed a team of 20 and was responsible for Bell's asset administration services. Before that Andrew was with Goldman Sachs JBWere for 9 years where he managed all aspects of their Premium Platform for high net worth investors.

Powerwrap CEO, Will Davidson, said the appointment of Mr Hartnett and his knowledge of the Australian private wealth management industry would add further strength to Powerwrap's management team.

"Andrew is a highly experienced operator and well suited to this role, where he will be responsible for delivery and control of the broad range of services and capabilities that Powerwrap provides its clients," he said.

Andrew has a Graduate Diploma in Applied Finance & Investment 2005 (Securities Institute of Australia, now FINSIA) and a Bachelor of Science (Monash University). He is married with two children and has competed extensively in both Ironman and Ultraman triathlons.

### About

**Powerwrap Limited** (AFSL No. 329829) is one of Australia's leading wealth management platforms, offering a comprehensive suite of investment, administration and shared services to clients of varying sophistication and needs.

Powerwrap's unique, bespoke-style platform service offers the broadest range of products in the market across all asset classes and utilises best of breed execution capabilities for all securities, something most platforms cannot do. Powerwrap supports investment professionals looking to start an advisory business with a range of key shared services including compliance, finance and technology services support. Powerwrap's open-architecture technology and experienced in-house execution team enable it to deliver unique flexibility and efficiency for its clients.
