Model Portfolios

There may be costs associated with the underlying assets in a model portfolio such as managed funds and Exchange Traded Funds. The Responsible Entity relies upon your Financial Adviser to provide you with the disclosure documentation for these assets contained in the Model Portfolio, both at the time of your investment and where there are any subsequent changes to the Model Portfolio

Cash holdings: The interest rate payable on the cash operating account, and any cash held in the Model Portfolios, is net of any fees charged by the Responsible Entity for the administration of this account. The rate payable is linked to the Official Cash Rate (OCR) and for cash held in model portfolios is 1% below the OCR. As at 26 July 2019, the OCR is 1.00% so this means that the rate payable to you is 0.00%. Information regarding the current OCR is available at www.powerwrap.com.au

Non-Custodially held assets

If you qualify as a wholesale client as defined by the *Corporations Act* you may be able to invest in Non-custodially held assets. Please speak to your financial adviser for more details and, if applicable, the relevant product disclosure documents.

Model Portfolios

Smartwrap Investment Account will provide access to model portfolios managed by both external managers and its own Chief Investment Office. These models will be added to this Approved Products List from time to time. There may be costs associated with the underlying assets in a model portfolio such as managed funds and Exchange Traded Funds. The Responsible Entity relies upon your Financial Adviser to provide you with the disclosure documentation for these assets contained in the Model Portfolio, both at the time of your investment and where there are any subsequent changes to the Model Portfolio.

Cash holdings

The interest rate payable on the Cash Operating Account is net of any fees charged by the Responsible Entity for the administration of this account. The rate payable is linked to the Official Cash Rate (OCR) and is 0.50% below the OCR. As at 18 July 2019, the OCR is 1% so this means the rate payable to you is 0.50%. Information regarding the current OCR is available at www.powerwrap.com.au. There is currently no interest payable on international cash account holdings.

Model Portfolios

The interest rate payable on the cash operating account, and any cash held in the Model Portfolios, is net of any fees charged by the Responsible Entity for the administration of this account. The rate payable is linked to the Official Cash Rate (OCR) and for cash held in model portfolios is 1% below the OCR. As at 18 July 2019, the OCR is 1% so that means that the rate payable to you is 0%. Information regarding the current OCR is available at www.powerwrap.com.au

Transaction and Operational Costs

When you acquire and or sell listed securities, brokerage will be charged at the following rates:

Domestic listed securities

Brokerage \$19.80 + 0.11% (inc GST)

International listed securities

Brokerage a minimum of 0.5%

Brokerage Transaction Fee a minimum of \$35

Foreign Exchange between 0.2% - 1.5%

Foreign Currency/ Forex Transfer Fee – transferring out of foreign currency a minimum of \$50 AUD

Foreign Currency/ Forex Transfer Fee – transferring in foreign currency a minimum of \$70 AUD

This fee is added to the purchase or deducted from the sale amounts of each transaction. For more information on the brokers available, please speak to your Financial Adviser.

Brokerage costs – Model Portfolios

Changes in Model Portfolios (whether initiated by you, or by the relevant Model Manager) will lead to various trades of securities, and therefore brokerage. As described in the Product Disclosure Statement associated with this Approved Product List, such brokerage should be lower than if you held the securities directly, as trades are first netted between investors transacting in such securities, and only post-netted trades are sent to market. Brokerage is shared across all investors whose Accounts participated in each particular trade and deducted from your Model Portfolio cash holding.
