## **Powerwrap platform users again recognised as Australia's top financial advisers**

Advisers using Powerwrap's wealth management platform have again been recognised as Australia's best, according to a Top 100 Advisers survey published Friday. Four of Australia's top ten financial advisers use Powerwrap's wealth administration platform to manage their sophisticated investor client base, with a number of other advisers who use the Powerwrap platform also being named in the Top 100.

Powerwrap CEO Davidson said, "Congratulations to Mason Allamby, Steve Collins, Scott Carmichael and Ben James from Escala Partners for being named in the top ten. We would also like to congratulate Charles Moore, Peter Dunn, Will Douglas, Simon Duckett, Ben Andreou (Koda Capital), Amanda, Fong (Escala Partners) and Will Hamilton (Hamilton Wealth).

"We are delighted that they have been recognised for delivering superior service to their clients."

The survey was published by The Australian newspaper magazine, The Deal, in association with US financial investment publication Barron's.

Mr Davidson said, "We are here to deliver the platform solutions and services critical to the success of financial advisers and their clients. The acknowledgement of so many advisers using Powerwrap again confirms our position as the premium platform for advisers needing sophisticated investment solutions for their high net worth clients."

### **About**

**Powerwrap Limited** (AFSL No. 329829) is one of Australia's leading wealth management platforms, offering a comprehensive suite of investment, administration and shared services to high net worth investors.

Powerwrap's unique, bespoke-style platform service offers the broadest range of products in the market across all asset classes and utilises best of breed execution capabilities for all securities, something most platforms cannot do. Through Tickr, Powerwrap supports investment professionals looking to start an advisory business with a range of key shared services including compliance, finance and technology services. Powerwrap's open-architecture technology and experienced in-house execution team enable it to deliver unique flexibility and efficiency for its clients.
