Model Portfolios

There may be costs associated with the underlying assets in a model portfolio such as managed funds and Exchange Traded Funds. The Responsible Entity relies upon your Financial Adviser to provide you with the disclosure documentation for these assets contained in the Model Portfolio, both at the time of your investment and where there are any subsequent changes to the Model Portfolio.

Cash holdings: The interest rate payable on the cash operating account, and any cash held in the Model Portfolios, is net of any fees charged by the Responsible Entity for the administration of this account. The rate payable is linked to the Official Cash Rate (OCR) and for cash held in model portfolios is 1% below the OCR. As at 20th March 2020, the OCR is 0.25% so this means that the rate payable to you is 0%. Information regarding the current OCR is available at www.powerwrap.com.au

Please speak to your financial adviser for more details and, if applicable, the relevant product disclosure documents.

Model Portfolios

Badge Investment Account will provide access to model portfolios managed by both external managers and its own Chief Investment Office. These models will be added to this Approved Products List from time to time. There may be costs associated with the underlying assets in a model portfolio such as managed funds and Exchange Traded Funds. The Responsible Entity relies upon your Financial Adviser to provide you with the disclosure documentation for these assets contained in the Model Portfolio, both at the time of your investment and where there are any subsequent changes to the Model Portfolio.

Cash holdings

The interest rate payable on the Cash Operating Account is net of any fees charged by the Responsible Entity for the administration of this account. The rate payable is linked to the Official Cash Rate (OCR) and is 0.50% below the OCR. As at 20th March 2020, the OCR is 0.25% so this means the rate payable to you is 0%. Information regarding the current OCR is available at www.powerwrap.com.au. There is currently no interest payable on international cash account holdings.

Model Portfolios

The interest rate payable on the cash operating account, and any cash held in the Model Portfolios, is net of any fees charged by the Responsible Entity for the administration of this account.
